

Ss. Robert and William Catholic School
is excited to announce that
beginning in the 2017-2018 school year
we will be launching the

STREAM TEAM!

Under the direction of team **leader**:

Miss Donica Loparo,

together with team **members**:

Mr. Rich Smith,

Mrs. Ellie McClusky,

and Mrs. Tracy Davis,

we will be integrating STREAM lessons throughout the building,
throughout the school year.

Miss Loparo will be dedicated to STREAM **full time** and
will lead the team in pursuing a STEM designation from
the Ohio Department of Education.

We will still be a traditional school,
teaching all the current subjects.

However, we will be adding problem-based learning to our
curriculum to hone the 21st century skills of
creativity, critical thinking, collaboration, and communication.
